

Career Pathways—Virtual Trailheads

To support students work based learning experiences during e-learning and while in school, the P-20 Network has created a series of videos which feature people from a wide range of occupations. These videos will allow students to learn different occupations within the various career pathway endorsement areas, gain knowledge about workplace skills, and receive advice from these professionals.

In this Career Pathways Virtual Trailheads video, [we interview Molly Levy](#), who is Vice President for Product at Liberis, a Fintech company working with small businesses.

In this Career Pathways Virtual Trailheads video, [we interview Lisa Sharp](#), an architect who owns her own architecture firm based out of DeKalb, Illinois, USA.

In this Career Pathways Virtual Trailheads video, [we interview Desiree Battaglia](#), a media relations specialist at Northwestern Medicine.

In this Career Pathways Virtual Trailheads video, [we interview Laura Rice](#), a microbiologist who holds a PhD., has over a dozen patents, and has published dozens of technical articles. Laura works for the Nalco Water division of Ecolab, a very large international corporation

In this Career Pathways Virtual Trailheads video, [we interview Arthur Mingo](#), an attorney who has recently started his own practice in Chicagoland.

In this Career Pathways Virtual Trailheads video, [we interview Elizabeth Stanley](#), who is currently starring in the production of *Jagged Little Pill* on Broadway in New York City.

In this Career Pathways Virtual Trailheads video, [we interview Brigitte Wolf](#), the Head of Snack Futures Innovation at Mondelez International.

In this Career Pathways Virtual Trailheads video, [we interview Jim Daly](#), the Vice President of Global FloraLife and Corporate Research at Smithers-Oasis. Among other products, FloraLife is the company behind the packets of flower food that come with bouquets of flowers at the supermarket.
